

Faceless YouTube Channel Content Calendar Template

Week	Video Title / Topic	Niche/Category	Content Type	Script Status	Voiceover	Visuals	Editing	Thumbnail	Upload Date	S

Column Explanations:

- Video Title / Topic: The working title or subject of your upcoming video.
- Niche/Category: What niche the video belongs to (e.g., Lo-fi music, Top 10s, ASMR).
- Content Type: Animation, stock footage, slideshow, voiceover commentary, etc.
- Script Status: Track the scripting process (Not Started, Drafting, Final).
- Voiceover: Indicate whether the voice recording is done.
- Visuals: Are the visuals sourced, created, or recorded?
- Editing: Is the video being edited or ready to go?
- Thumbnail: Is the thumbnail created and uploaded?
- Upload Date: Scheduled or actual upload date.
- SEO/Tags Done: Have you added keywords, tags, optimized the title and description?
- Published: Mark if the video has been officially published.
- Performance Notes: Later, track views, likes, comments, retention rate, etc.
