

## **Affiliate Resource Vault Template**

### ***"The Tools I Personally Use and Recommend"***

---

#### **How to Use This:**

1. Copy this into a **Google Doc**, Notion page, or PDF.
  2. Replace the [placeholders] with your own tools and affiliate links.
  3. Share it as a **pinned post** in your group or as a **bonus resource** in your email funnel.
  4. Always include an affiliate disclaimer.
- 

#### **[Your Brand/Group Name] Resource Vault**

Welcome to the curated list of tools, apps, services, and freebies I use and trust. Whether you're just starting out or looking to upgrade your setup, these are my go-to recommendations that save me time, boost productivity, and help generate passive income.

⚠ **Affiliate Disclosure:** Some of the links below are affiliate links, which means I may earn a small commission if you purchase through them—at no extra cost to you. I only recommend what I use and love.

---
